All women who live, work or study (full-time) in the London Borough of Camden can become members of Women & Health.

Concessionary Membership rates are available on production of up-to-date proof of receipt of Income Support, Jobseekers Allowance, State Pension or Sickness or Disability Benefit.

What does an annual membership cost?

| | |
|---------------|-----------------|
| Standard | £15.00 per year |
| Concessionary | £7.50 per year |

Counselling & Psychotherapy Service

If you wish to access our psychotherapy & counselling service you need to **live** in the borough of Camden. You will be invited into the Centre for an assessment meeting. Fees for this service are on a sliding scale of £30 - £5 per session.

How much should I pay for Complementary and Alternative Therapies?

If you wish to access our Complementary Health Treatments you will be invited into the Centre for a short introductory meeting where we will guide you through our services and assess an appropriate fee.

a) Fees are charged on a sliding scale from £45 - £12's which is based on your household income.

b) If you feel unable to pay the full £45's we can discuss this with you in the introductory meeting and agree an affordable fee.

c) The sliding scale is used to fix a **minimum charge**. You are welcome to pay a higher rate and thus support the work of the Centre.

CANCELLATIONS

What happens if I want to cancel?

If you give us over 24 hours notice, there is no cancellation fee.

If you give us less than 24 hours you will be charged the full fee

Cancellation fees have to be paid either before or at your next appointment
